Retraction Note to: EURASIP Journal on Wireless Communications and Networking (2019) 2019:38

<https://doi.org/10.1186/s13638-019-1345-0>

The Editor-in-Chief and the publisher have retracted this article. The article was submitted to be part of a guest-edited issue. An investigation by the publisher found a number of articles, including this one, with a number of concerns, including but not limited to compromised editorial handling and peer review process, inappropriate or irrelevant references or not being in scope of the journal or guest-edited issue. Based on the investigation's findings, the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

Zeping Tong agrees with this retraction.

Xiaomin Chen has not responded to correspondence regarding this retraction.

Published online: 19 January 2023
